EXHIBITOR & SPONSORSHIP INFORMATION PACK

Dear Industry Partners,

Malaysian Association of Sports Medicine (MASM) is pleased to announce that we will be organising the 1st ASEAN Sports Medicine Conference 2015 on the 28th to 29th November 2015 in Kuala Lumpur this year. Joining us in organising this conference is the Sports Medicine Unit of the Faculty of Medicine, University of Malaya and the Sports Medicine team of Ministry of Health, Malaysia.

The theme of the conference is “Enhancing Performance Through Sports Medicine & Sports Science”.

We anticipate that about 300 of Malaysian and ASEAN countries’ top orthopaedic surgeons with interest in sports, sports physicians, physiotherapists, sports science practitioners, trainers and coaches will be joining us in this conference as delegates and speakers.

The content of this conference is designed to address the challenges faced by our professionals in their daily clinical practice. This conference will cover areas of injury prevention, recovery and management from both aspects of sports medicine and sports science. Topics include sports physiology, biomechanics, extreme sports, travel medicine in sports, role of nutrition in injury prevention, paralympic sports, psychology of the injured athlete, doping in sports, rehabilitation techniques and many more. There will be workshops as well as lectures, free paper oral presentations and poster presentations.

We would like to invite the industry to take the opportunity to actively participate in this conference and reach out to key opinion leaders in our audience.

The accompanying pages list the sponsorship packages available. If you have any questions, please feel free to contact our conference secretariat, Ms Yee Lim at 012 257 2391 or secretariat@malaysiasportsmed.org

Thank you.

Best Regards,

Dr Chan Kin Yuen
President
