

2022 KUALA LUMPUR

GLOBAL MUSCULOSKELETAL ULTRASOUND COURSE WITH BASIC MRI VIDEO PATHOLOGY

DATE: 19TH TO 20TH MARCH 2022

VENUE: UNIVERSITY MALAYA, KUALA LUMPUR

Application made for:

16 CPD Core Points by National Specialist Register of Malaysia
16 CPD Points by Malaysian Medical Association / MyCPD

Conference Organizer:

Global Futuristic Management Services

Supported By:

Malaysian Association of Sports Medicine

Submit your interest to:
globalfuturistic@gmail.com

Dear Physician,

The 2022 Kuala Lumpur Global Musculoskeletal Ultrasound Course with Basic MRI Correlation for Physicians & GP's will be held from 19th-20th March 2022 at the Centre for Sport & Exercise Sciences, University Malaya.

Here are the key features of the course:

1. All lectures are updated and you will be given a digital powerpoint print out of the powerpoint slides and Ultrasound technique guide booklet with your name on the front cover. Lectures will cover the indications of musculoskeletal ultrasound in each joint. Videos of musculoskeletal ultrasound pathology will then be shown. Basic Musculoskeletal MRI anatomy and pathology of each joint often asked in exams will be shown. The lectures will have some MRI correlation of MSK Ultrasound pathology.
2. All participants will receive a chance to be tutored by accredited and mostly senior Musculoskeletal Radiologists who are experts at Musculoskeletal Ultrasound. They have weekly musculoskeletal ultrasound lists and have plenty of hands-on experience. All these faculty have done 1 to 3 years fellowships in Musculoskeletal Radiology. This is the unique feature of this course.
3. The practical session will start with a demonstration by the Musculoskeletal Radiologists in the first hour. Subsequently, each participant will be given 10-15 minutes initially to practise the technique shown by the radiologist under supervision, on the model, until all participants in the group have attempted and been shown how to do the technique correctly. This is strictly monitored by an appointed group leader. After this, all participants are free to move to any of the groups and free tables with models to practice and observe any variations in techniques taught at other tables. The practical session will be 3 hours on each day so there is ample time to observe and practice.
4. Faculty to participant ratio is much lower than most MSK Ultrasound courses (1 faculty to 7 participants) and plenty of opportunities are provided for hands-on practice. Please note only 25 new places are available and will be allocated by date and time of payment. Once the 25 places are taken, the rest will be on waiting list first as we try to get another faculty.
5. By attending the Global MSK USS with MRI course, you will gain confidence in performing MSK Ultrasound. So don't think twice. Submit your interest to join by emailing the course secretariat at globalfuturistic@gmail.com. Global Musculoskeletal MRI and Ultrasound courses are top ranked in google search "Best Musculoskeletal MRI course" out of 1.8 million searches. It is an established course with excellent reviews.

Yours sincerely,

Prof. Dr. John George

MBBS (Adelaide), DMRD (Aberdeen), FRCR (UK)

Course Director, Global MSK USS and MRI Correlation

Consultant Radiologist, National Sports Council of Malaysia

Consultant Radiologist, Orthopaedic & Regenerative Centre, Beverly Wilshire Medical Centre, Kuala Lumpur

Email: msk.rad@gmail.com

Day One • 19th March 2022 • Saturday

7.30 am	Registration
8.00 am	Briefing and pre-course MCQ self-assessment
8.30 am	Lecture 1: Understanding the technical aspects and care of using an ultrasound machine for Musculoskeletal Imaging.
9.00 am	Lecture 2: Ultrasound of the Knee with MRI Correlation - Normal and pathology.
10.00 am	Tea break
10.20 am	Video Session 1: Pathological video ultrasounds of the Knee and Basic Musculoskeletal MRI Knee video anatomy and pathology.
11.20 am	Lecture 3: Ultrasound of the Ankle and Foot with MRI Correlation - Normal and pathology.
12.20 pm	Video Session 2: Pathological video ultrasounds of the Ankle. Basic MSK MRI Ankle video anatomy and pathology.
1.00 pm	Buffet Lunch
2.30 pm	Practical Session 1: Ultrasound of the Knee and Ankle.
5.30 pm	Close

Day Two • 20th March 2022 • Sunday

7.30 am	Registration Day 2
8.00 am	Lecture 4: Ultrasound of the Shoulder with MRI Correlation - Normal and pathology.
9.00 am	Video Session 3: Pathological video ultrasounds of the Shoulder and Basic Musculoskeletal MRI Shoulder Video anatomy and pathology.
10.00 am	Tea break
10.20 am	Lecture 5: Ultrasound of the Elbow and Wrist with MRI Correlation - Normal and pathology.
11.20 am	Video Session 4: Pathological video ultrasounds of the Elbow and Wrist. Basic MSK MRI Elbow video anatomy and pathology.
12.20 pm	Lecture 6: Ultrasound of Muscle tears with some video pathology.
1.00 pm	Buffet Lunch
2.30 pm	Practical Session 2: Ultrasound of the Shoulder, Elbow, Wrist and Hamstrings. After initial training, you are free to ask the demonstrator any special requests, ie. rheumatology screening, etc.
5.30 pm	Post-course MCQ self-assessment and Close of Meeting.

"Comprehensive, with good materials and lectures provided, and ample hands-on practice sessions for learning by very patient and experienced facilitators/faculty members standing by to show us the ropes."

Dr Pek Eu Way, Malaysia

"An incredibly insightful hands-on course. Provided a new way of looking at pathology and being able to visualize the underlying anatomy."

Dr Tamara Pooke, South Africa

"This conference is beneficial to improve basic MSK ultrasound skills as it is very comprehensive and practical. Keep up the good work. The hands-on sessions are good and all the instructors are very helpful. The video sessions on pathology are good as well."

Dr Salmina Rifin, Malaysia

"This is an event that I stumbled upon on Google but was sure it will have a mark in my medical profession for a very, very long time. Thank you Prof for the exciting and stimulating experience!"

Dr Joon Moon, South Korea

"Learning how to read the ultrasound images really enhanced my understanding of the pathological conditions and how to differentiate them. Clear explanations, patient presenters and correlation to clinical conditions."

Dr Katey Paczek, Malaysia

"Great workshop! This is my first ultrasound workshop and I'm glad to be here. Lots of stations for workshop with real human models and experts to teach. Everyone can practice until he's feeling comfortable."

Dr Chut Nakornchai, Thailand

"I learned many tips and practical methods to use in MSK ultrasound, and also the pitfalls that I have to be careful of. The knowledge I gain from the course will surely be applied in my practice."

Dr Faisal Parlindungan, Indonesia

"This is my first formal training on MSK ultrasound and it is recommended by my colleagues. This is much more above my expectation with the good materials and supervision from experts."

Dr Chiu, Wing Fat, Hong Kong

"This course was wholesome as it covered many important MSK related pathologies. The instructors were very patient and motivated to teach us. It was definitely worth it. I enjoyed it."

Dr Arvin Raj, Malaysia

Who should attend this course?

This course is ideal for all physicians, particularly Orthopaedic Specialists, Sports Medicine Specialists and General Practitioners, who would like to learn how to recognise normal radiological anatomy of MRI and Ultrasound of major joints, identify the common MRI and ultrasound pathology of major joints, and perform musculoskeletal examination of major joints with confidence.

Course Materials & Deliverables (worth USD 300, including intellectual property fees):

1. 1 x high quality colour photoprint of powerpoint lecture slides and 1x ultrasound technique workbook.
2. 4GB of data resources in a USB thumbdrive gathered from fellows, lecturers and courses over the years.
3. One ultrasound demonstrator to about 7 participants. 3 hours of practical hands-on time each day.

Faculty:

Prof Dr John George (Course Director)

MBBS (Adelaide), DMRD (Aberdeen), FRCR (UK)

Senior Consultant MSK Radiologist, National Sports Council of Malaysia

Senior Consultant MSK Radiologist, Orthopaedic Diagnostic and Regenerative Centre, Beverly Wilshire Medical Centre

Fmr Chief of Musculoskeletal Radiology, University of Malaya Medical Centre, Malaysia

Dr Nazrila Hairiana Nasir, MRAD (UM),

Senior Consultant Musculoskeletal Radiologist

Hospital Putrajaya, Malaysia

Dr Nurul Aida Selamat, MMED Radiology (UKM)

Senior Consultant MSK Radiologist

Kuala Lumpur General Hospital, Malaysia

Dr Anuradha PS Janardhanan, MRAD (UM)

Senior Consultant MSK Radiologist

Gleneagles Hospital Kuala Lumpur, Malaysia

Two more radiologists to be advised

Dr Goh Siew Li (Site Coordinator)

Associate Professor

Department of Sports Medicine

University of Malaya Medical Centre, Malaysia

Location:

The course venue is at the Centre for Sport & Exercise Sciences, University Malaya. It has been selected as the Course venue due to the auditorium style seating which is most conducive for learning so there is no block in your view as occurs in hotels. University Malaya is also easily accessible as it is centrally located between Kuala Lumpur and Petaling Jaya. The closest train station is the Putra Line "Universiti" LRT station where you can grab a taxi to the university. Free bus services are also available to and from Taman Jaya LRT.

REGISTRATION FEES & PAYMENT

Registration Rate:

Registration	Course Fees
Malaysian Delegate	RM 1750

Registration:

Registration for this course is via email at globalfuturistic@gmail.com. As the course has a limited number of places to enable small group teaching, it is advisable that payment be made as soon as possible to secure your place at the course.

The above-mentioned rate is exclusively for Malaysian delegates and for payments via Bank Transfer only. Please note that course fees is not inclusive of travel and accommodation.

Bank Details:

Bank : CIMB
Account name : Global Futuristic Management Services
Account number : 8002419615
Swiftcode : CIBBMYKL
Contact number : +6011-3184 3538

Payment Proof:

All delegates must send us the proof of payment within 24 hours of making payment. Kindly email a copy of the bank slip or proof of transfer to globalfuturistic@gmail.com with indication of account name that the transfer was made from. Upon receipt of payment into our account, a notice will be sent to your email along with a confirmation letter and e-receipt within 48 hours to confirm your place in the course.

Accreditation:

Application has been made for 16 CPD Points by the Malaysian Medical Association under MASM and 16 CPD Core Points by the National Specialist Register of Malaysia (NSR)* for the following subspecialties:

- * Orthopaedic
- * Sports Medicine
- * Rehabilitation
- * Rheumatology
- * Emergency Medicine

Note:

The course for Radiologists will be announced at a later date.

Terms & Conditions:

1. A non-refundable policy applies to course fees, but humanitarian reasons can be considered such as admission to hospital, etc. This is because expenses will need to be paid regardless.
2. Registration transfers are allowed. No additional fees will be imposed for registration transfers.
3. The course fee is inclusive of a light breakfast, morning and evening teas and a buffet lunch.
4. Please note that no audio and video recording is allowed during both lectures and hands-on sessions.
5. A confirmation of placement at the course is upon receipt of a confirmation letter and electronic receipt. If you do not receive these documents within the duration of a week upon payment, kindly email the secretariat immediately to check on your status.
6. Kindly email the secretariat with proof of transaction along with indication of account name that the transfer was made from upon making payment so that the secretariat is able to identify your payment. Failure to do so might cause your payment to be attributed to another delegate instead.
7. Do not make payment until and unless you receive a confirmation from the secretariat to proceed. Payments that go through prior to confirmation will not be refunded.
8. The programme is fixed, however the congress faculty may change in the event of a personal crisis or unavoidable matter. We will do our best to get a faculty of similar caliber.
9. In the event that the course is cancelled due to unforeseen circumstances, all delegates will be given a credit transfer and another course will be arranged at the next convenient date.
10. The event management company (secretariat) is not liable for any losses or injuries sustained before, after, or throughout the duration of the course. Insurance coverage is encouraged as a safety measure.

MEETING INFORMATION

COURSE VENUE

Centre for Sport & Exercise Sciences, University Malaya.
Address: Jln Profesor Diraja Ungku Aziz, 50603 Kuala Lumpur

SECRETARIAT

Global Futuristic Management Services
Company Address: Level 41, Vista Tower, The Intermark, 348 Jalan Tun Razak, 50400 Kuala Lumpur, Malaysia.
Tel No: 011-3184 3538
Email: globalfuturistic@gmail.com

REGISTRATION

Registration is on 19th March 2022 from 7.30am-8.00am. All course delegates are required to register at the registration desk located outside the conference hall to collect your name badge and course materials. Please note that no replacements will be made for name badges and course materials and delegates are liable for any losses.

COURSE LUNCH

The course lunch is Halal and is complimentary for all course delegates. To be entitled to the lunch, delegates must wear their course badge at all times.

AUDIO & VIDEO RECORDING

Please note that no audio and video recording is allowed during both lectures and hands-on sessions.

DRESS CODE

The dress code for the meeting is semi-formal. Delegates are strongly advised to bring along a light jacket as the venue is air-conditioned and particularly cold.

LOST & FOUND

Please take care of all your belongings. The organisers and secretariat will not be held liable in cases of loss, theft or damage to personal belongings. Any found items may be kept by the secretariat.

PRAYER ROOM

Prayer rooms are available in Menara Selatan for Muslim delegates.
